About the minor

The Minor in UX/UI Design for Non-Art Majors empowers you to shape the digital experiences of tomorrow. The 100% online, accelerated minor in UX/UI Design is your gateway to mastering the art and science of user experience and interface design. This program offers the flexibility to learn at your own pace, with 7-week courses that fit seamlessly into your schedule. You'll gain hands-on experience with industry-standard tools and techniques, developing the skills needed to create intuitive, user-friendly digital products. By adding this minor, you'll join a dynamic community of learners and innovators, all while enhancing your career prospects in a rapidly growing field. Don't miss the opportunity to learn about UX/UI design and make a real impact on the digital world!
