

NEW FRESHMAN APPLICANTS

Application Requirements

Applicants must have graduated from high school or have successfully completed the General Education Development (GED) test to be considered for admission. Freshman applicants applying for admission to Youngstown State University must submit an official high school transcript or official GED transcript. Submission of American College Test (ACT) or Scholastic Assessment Test (SAT) scores is optional. Please note: some majors require test scores to be admitted into the program.

Applicants must have a cumulative weighted high school grade point average of 2.00 (on a 4.00 scale) or higher, a core unweighted grade point average* of 2.00 (on a 4.00 scale) or higher and have an ACT composite score of 17 or higher, or a SAT composite score of 920 or higher (evidence-based writing and reading and math) to be admitted unconditionally. (*Core gpa is calculated based on grades earned in the following courses - English, mathematics, science, social science, and foreign language, if applicable, from 9th through 12th grade.)

A test-optional admissions policy was implemented beginning Fall 2020 semester. For more information regarding the test-optional admissions policy, please visit the Admissions (<https://ysu.edu/admissions/apply-to-ysu/new-freshmen/>) website.

For more information regarding Career-Technical Credit Transfer, visit the Ohio Department of Higher Education Career-Technical Credit Transfer (CT) (<https://www.ohiohighered.org/transfer/ct2/how-to-access-ct2-credit/>)² Verification of Course/Program Completion Form webpage.

Home-schooled applicants must meet the following criteria:

1. An official transcript showing documentation of coursework completed of grades 9-12 including date of completion of studies or graduation must be sent to Admissions. See above for specific admission requirements.
2. Submission of results from the ACT or SAT is optional. Please note: some majors require test scores to be admitted into the program.
3. A copy of academic assessment (i.e. Iowa Basic Skills Test, California Achievement Test, etc.) reports submitted to the appropriate superintendent of school pursuant to Section 3301-34-04 of the Ohio Administrative Code must be received by Admissions.
4. A copy of the Superintendent's Exemption Notice showing the student is excused to receive home-schooling.
5. Home-schooled students from states other than Ohio must submit the appropriate documentation required for allowing home-schooling in their state, along with above criteria #1, and #2.

Athletics Participation

Students planning to participate in intercollegiate athletics in their first year at YSU should call the Office of Intercollegiate Athletics at (330) 941-2282 for information about eligibility for athletics participation.

English Requirement

YSU requires proof that you have sufficient knowledge of the English language to follow your program of study. If your native language is not English, please see International Undergraduate Admissions (<https://catalog.ysu.edu/undergraduate/general-information/admission/international-undergraduate-admission/>).

Articulated Credit

In the presence of a formal bi-lateral agreement between Youngstown State University and a particular career center or high school, students may earn college credit for specified technical courses they successfully completed in high school. Youngstown State University has many program-specific

articulation agreements with career and technical centers and high schools in northeast Ohio. Students in those approved articulated programs of study receive instructions from their career and technical center or high school about how to have earned credits posted to their YSU transcripts after they enroll at YSU and meet college readiness criteria. Students who complete career-technical programs of study may also receive specified articulated college credit. Students have 18 months from high school graduation to apply for the credit. For information about College Tech Prep (<https://ysu.edu/college-tech-prep-special-projects/>) at YSU, visit their website.

High School Transcripts

Applicants must arrange to have their high school send a transcript of all coursework completed along with grades received in each course to the Admissions Office. Partial transcripts will be given consideration for early decisions. If the applicant's academic record meets or exceeds YSU's admission requirements, notification of conditional acceptance will be made before high school graduation. A final official high school transcript showing a graduation date must be received prior to the first day of the semester in which the student is enrolled. Official transcripts can not be emailed or faxed to the Admissions Office.

Conditional Admission

In certain situations, students who do not meet the requirements for unconditional or regular admission to YSU may be offered conditional admission. For more details regarding first-year and transfer student conditional admission, please review the Strong Start and Transfer Students sections below.

Conditionally admitted status is not to be applied to students in the BCHHS's Emergency Medical Services Certificate and Police Academy programs. Students accepted in the Police Academy are not required to take the placement test.

Students entering Distance Learning Programs will not be considered for conditional admission status.

If a Youngstown Early College (YEC) student has earned a GPA of 2.00 or above and has passed all required developmental courses, the student's ACT or SAT test score will not be considered in establishing the student's conditional admission status.

Strong Start

Incoming first-time students with a cumulative weighted high school grade point average of a 2.00 (on a 4.00 scale) or higher but unweighted core grade point average does not meet test optional requirements or ACT composite is below 17 or SAT composite below 920 (evidence-based writing and reading and math), or have no ACT or SAT scores, will be reviewed for possible admission to YSU through the Strong Start Program.

Students offered admission to YSU through the Strong Start Program:

- May only begin in the fall semester.
- Are required to attend new student orientation; failure to do so will defer admittance to a subsequent fall semester.
- Must earn a C or better in their Strong Start Success Seminar.
- Must achieve good academic standing (a GPA of 2.00 or above) at the end of their first semester. Students who do not earn at least a 2.0 shall be dismissed from the university.

Transfer Students

Transfer students with a transfer GPA below 2.00 (out of 4.00) are not eligible for regular admission, but may be admitted with conditions after review by the Admissions Committee.

Conditionally admitted transfer students must meet the following requirements:

1. Conditionally admitted transfer students shall not be admitted for any summer session. Students who place into conditional admission status based on placement testing in the summer term will have their start date deferred to the fall semester.
2. Conditionally admitted transfer students are required to attend a Transfer Student Orientation (TSO); failure to do so will defer admittance to a subsequent semester. Transfer students may meet this requirement by attending a transfer orientation or by completing the online orientation module for transfer students.
3. Conditionally admitted transfer students shall be classified as having an undetermined major (BCLASSE, BCHHS), a pre-major (STEM, CCCA) or an undeclared Business major (WCBA) designation, a status that shall remain until the student satisfies all requirements to exit the conditional admission classification.
4. During their first semester, conditionally admitted transfer students must fulfill a contract with the Resch Academic Success Center, which includes meeting weekly with their academic coach and two times during the term with their academic advisor.
5. Students placing into ENGL 1541 Fundamentals of College Writing or ENGL 1549 Writing 1 with Support must take these courses in their first semester. Students may not withdraw from these courses unless they make a complete withdrawal from the university.
6. All conditionally admitted transfer students are to be advised by their college's professional advisors and not by faculty or departmental advisors.
7. Conditionally admitted transfer students must receive approval of their course schedule by a college academic advisor and may not make further changes without approval of the advisor.
8. Failure to fulfill the first semester guidelines and achieve good academic standing (a GPA of 2.00 or above) shall result in the conditionally admitted transfer student being dismissed from the university. The student may not be admitted to any other YSU college until the dismissal period has expired.

The restrictions imposed on coursework and semester hours will be removed when the student has done the following:

1. Successfully completed all developmental courses into which the student has tested:

COURSE	TITLE	S.H.
ENGL 1541	Introduction to College Writing	3
RSS 1510A	Advanced College Success Skills	3
2. Successfully completed six semester hours of non-developmental courses.
3. Achieved good academic standing (a GPA of 2.00 or above). See the Undergraduate Catalog (<https://catalog.yzu.edu/undergraduate/>) for more information on academic standing.
4. Fulfilled the conditional admission contract.
Students fulfilling these requirements may file a petition with a college academic advisor to have the restrictions and their conditionally admitted status removed.

Career-Technical Credit Transfer (CT)² / CTAG

Secondary or adult students who successfully complete specified technical programs are eligible to have technical credit transfer to public colleges and universities. This transfer of credit is described in Career-Technical Assurance Guides (CTAG). Students are guaranteed the transfer of applicable credits among Ohio's public colleges and universities and equitable treatment in the application of credits to admissions and degree requirements. (CT)² helps

more high school and adult career-technical students to go to college and enter with college credit; technical credit saves students money and time; and Ohio business and industry will benefit from more employees with higher education and advanced skills.

The language in section 3333.162 (<http://regents.ohio.gov/careertechtransfer/archives/documents/HB66Language.pdf>) of the Ohio Revised Code requires the Ohio Department of Higher Education and the Ohio Department of Education to develop policies and procedures ensuring that students at an adult career-technical education institution or secondary career-technical education institution can transfer agreed upon technical courses completed there (that adhere to recognized industry standards) to any public institution of higher education "without unnecessary duplication or institutional barriers."

To access credit, students will need to request a CTAG Verification Form be sent by the career-institution from which they attended/graduated, to the YSU Office of College Tech Prep and Special Projects. Students have three years from high school graduation to apply for credit. For more information on how to access (CT)² credit visit the Ohio Department of Higher Education Career-Technical Credit Transfer (CT) (<https://www.ohiohighered.org/transfer/ct2/how-to-access-ct2-credit/>)² Verification of Course/Program Completion Form webpage.
